Recommended Pre-K–8 Scope and Sequence for Oklahoma Academic Standards

FOSS® 6–8 Scope & Sequence

Grade	Integrated Middle Grades				
8	Electromagnetic Force* PS, ES, E	Gravity & Kinetic Energy* PS, E	Heredity & Adaptation* ES, LS	Waves* PS, E	Planetary Science PS, ES
7	Chemical Interactions PS, ES, E		Populations and Ecosystems ES, LS, E		Earth History/Geoscenarios PS, ES, LS
6	Diversity of Life LS	Earth History PS, ES, LS		Human Systems Interactions* LS	Weather and Water PS, ES, E

PS: Physical Science content, ES: Earth Science content, LS: Life Science content, E: Engineering content *Half-length courses

FOSS® Pre-K–5 Scope & Sequence

Grade	Physical Science	Earth Science	Life Science	STEM Enrichment
5	Mixtures & Solutions	Earth & Sun	Living Systems	Sound Design†**
4	Energy	Soils, Rocks & Landforms	Environments	
3	Motion & Matter	Water & Climate	Structures of Life	
2	Solids & Liquids	Pebbles, Sand & Silt	Insects & Plants	Forces in Action†
1	Sound & Light	Air & Weather	Plants & Animals	
K	Materials & Motion	Trees & Weather	Animals Two by Two	
Pre-K	Full-year Observing Nature			

†STEM Enrichment courses and modules can be purchased as a supplement to the FOSS curriculum or purchased separately for STEM electives or extracurricular activities.

**Coming 2021
